15 PER FTE STUDENT.—

16 “(1) IN GENERAL.—Each State receiving an al-

18 “(A) ensure that the amount expended by
19 the State, from funds derived from non-Federal

10 greater than the estimated percentage increase in
11 the Consumer Price Index (as determined by the
12 Secretary, using the definition in section 478(f)) for
13 the calendar year for which the State is receiving the
14 allotment.

15 “(e) AUTHORITY TO COMPROMISE.—Notwith-

20 economic downturn in the State as evidenced by a reduc-
21 tion in State domestic product, real per capita income, and
22 employment. Such determination shall only be made by
23 the Secretary following a written appeal by the State that
24 documents recent and significant decreases in economic
25 activity in the State.

2 STUDENTS.—Each State that received an allotment under

12 State; and

13 “(2) with respect to any recently completed aca-

15 such students at a public institution in the State
16 was below the percentage of enrollment of such stu-
17 dents in public institutions in the United States as
18 a whole for such year (out of the total student en-
19 rollment in such public institutions for such year),
20 an explanation from such institution in the State for
